

TREE OF LIGHTS CAMPAIGN GOAL: **\$120,000**

Our local service unit sponsors a Tree of Lights Campaign once a year between Thanksgiving and Christmas to raise funds which support programs that run all year. Monies raised during this campaign provide funds for our Service Unit to disperse to meet emergency needs of folks here in our county.

In Pulaski County

Our 8 volunteer case workers now operate from 4 locations in our county. They meet with people YEAR-ROUND who need emergency assistance for rent, utilities, fuel, & temporary shelter.

Our Christmas Care gift team coordinated through county Senior Centers to assemble and deliver 295 Christmas Gift Bags to Nursing homes, Group Homes, and Senior homebound.

We delivered checks contributing to the programs of each of the 6 public schools in Pulaski County, who provide 900 students with supplemental food.

Last year our SA service unit partnered with county food pantries & several local churches at 5 different community locations to distribute 600 Christmas Food Baskets benefitting over 2100 individuals.

Our service unit was blessed with the amazing resource of a self contained mobile unit ready to be deployed to disasters nationwide. Five local board members are completing Disaster Training and have been called on to help at disaster locations across the country. Shortly after we received our mobile unit our team was called on to assist in distributing food to many of our neighbors in Rolla after the tornado damage in the spring of 2025.
